- Carriage assembly easily detaches from column for convenient transport
- One-year limited warranty

## Manta III Industrial Combination/Anchor Tilt Base Core Drill Rigs

Manta® III Core Drill Rigs feature a precision rack-&-pinion carriage with maintenance-free double-sealed bearings. The lightweight cast-aluminum base with built-in wheels provides easy maneuverability. All the Manta III rigs have positive anchoring for vertical and horizontal drilling and 2-1/2" steel column with ceiling jack. The removable slide handle easily negotiates close to walls and columns and the carriage assembly easily detaches from the column for convenient transport. Control box with amp meter helps the operator control the cutting load. One-year limited warranty
