- Open-back design allows for material up to 16" long to be cut
- Easy to grip nylon handle with built-in lockable trigger switch
- Water misting dust control system
- Plastic dust collection pan
- Replaceable dust filter
- Built-in table lock
- Spring-loaded, adjustable height cutting head
- Heavy-duty cast aluminum rolling conveyor cart
- Includes 14" dry cutting diamond Blade
- One year limited warranty

BX-4 is covered by the following United States patents: No. 7,284,547, 7,159,586 and 6,687,972

### **BX-4™ 1-3/4 HP, 14" Wet/Dry Cutting Masonry Saw**

The BX-4™ is the only lightweight masonry saw to use a patent pending misting system to control dust generated during cutting. The ergonomically designed handle allows for easy operation and control from either the left or right hand. Unique features include a removable plastic tray and a locking table. The adjustable depth stop prevents cutting through the table. One-year limited warranty.
